Introduction

About This Policy

Your dental coverage is provided under a Policy issued by Cigna Health and Life Insurance Company ("Cigna") This Policy is a legal contract between You and Us.

Under this Policy, "We", "Us", and "Our" mean Cigna. "You" or "Your" refers to the Policyholder whose application has been accepted by Us under the Policy issued. When We use the term "Insured Person" in this Policy, We mean You and any eligible Family Member(s) who are covered under this Policy. You and all Family Member(s) covered under this Policy are listed on the Policy specification page.

The benefits of this Policy are provided only for those services that are Dentally Necessary as defined in this Policy and for which the Insured Person has benefits. The fact that a Dentist prescribes or orders a service does not, in itself, mean that the service is Dentally Necessary or that the service is a Covered Service. Consult this Policy or phone Us at 1.800.Cigna24 (1.800.244.6224) if You have any questions regarding whether services are covered.

This Policy contains many important terms (such as "Dentally Necessary" and "Covered Service") that are defined in the section entitled "Definitions". Before reading through this Policy, be sure that You understand the meanings of these words as they pertain to this Policy.

We provide coverage to You under this Policy based upon the answers submitted by You and Your Family Member(s) on Your signed individual application. In consideration for the payment of the premiums stated in this Policy, We will provide the services and benefits listed in this Policy to You and Your Family Member(s) covered under the Policy.

Choice of Dentist: Nothing contained in this Policy restricts or interferes with an Insured Person's right to select the Dentist of their choice. You may pay more for Covered Services, if the Insured Person receives them from a Dentist that is a Non-Participating Provider.

Please Read The Following Important Notice

This Dental Plan offers the full range of Essential Health Benefit Pediatric Oral Care and satisfies the requirements under the Affordable Care Act.

Who Is Eligible For Coverage?

Conditions Of Eligibility

This Policy is for residents of the state of Tennessee. The Insured must notify Us of all changes that may affect any Insured Person's eligibility under this Policy.

You are eligible for coverage under this Policy if you are up to [and through] the age of 19 and when You have submitted a completed and signed application for coverage and have been accepted in writing by Us. Other Insured Persons may include the following Family Member(s) up to [and through] the age of 19:

- Your lawful spouse or domestic partner.
- Your children
- Your stepchildren
- Your own, or Your spouse's or domestic partner children who are incapable of self support due to medically certified continuing mental or physical disability and are chiefly dependent upon the Insured for support and maintenance. Periodically thereafter, but not more often than annually, Cigna may require written proof of such disability or dependency.
- Your own, or Your spouse's or domestic partner Newborn children are automatically covered for the first 31 days of life. To continue coverage for a Newborn, You must notify Cigna within 31 days of the Newborn's date of birth that You wish to have the Newborn added as an Insured Family Member, and pay any additional premium required.
- An adopted child, including a child who is placed with you for adoption, is automatically covered for 31 days from the date of the adopted child's placement for adoption or initiation of a suit of adoption. To continue coverage, You must enroll the child as an Insured Family Member by notifying Cigna within 31 days after the date of placement for adoption or initiation of a suit of adoption, and paying any additional premium.
- If a court has ordered an Insured to provide coverage for an eligible child (as defined above) coverage will be automatic for the first 31 days following the date on which the court order is issued. To continue coverage, You must enroll the child as an Insured Family Member by notifying Cigna in writing within 31 days after the date of the court order and paying any additional premium.

When Can I Apply?

Initial Open Enrollment Period

The Open Enrollment Period is a federally-specified period of time (generally beginning in October and ending in December) each Year during which Individuals who are eligible as described above can apply to enroll for coverage or change coverage from one plan to another. To be enrolled for coverage under this Plan. You must submit a completed and signed application for coverage under this Policy for Yourself and any eligible Dependents, and We must receive that application during the Annual Open Enrollment Period. Your coverage under this Policy will then become effective upon the first day of the [Month] [Year] following the end of the prior Year's Open Enrollment Period. If You do not apply to obtain or change coverage during the Open Enrollment Period, You will not be able to apply again until the following Year's Open Enrollment Period.

Special Enrollment Periods

A special enrollment period occurs when a person enrolled in a qualified health plan, as defined by the Patient Protection and Affordable Care Act of 2010 (PPACA), experiences a triggering

event such as loss of coverage or addition of a dependent. If You are covered under a qualified health plan, and You experience one of the triggering events listed below, You can enroll for coverage during a special enrollment period instead of waiting for the next Annual Open Enrollment Period. Triggering events for a special enrollment period are:

- An eligible individual, including a dependent, loses his or her minimum essential coverage; or
- An eligible individual gains a dependent by marriage, birth or adoption; or
- An individual who was not previously a citizen, national or lawfully present individual gains such status; or
- An eligible individual's enrollment or non-enrollment in a qualified health plan is unintentional, inadvertent, or erroneous and as the result of the error, misrepresentation, or inaction of an officer, employee or agent of the state exchange, or of the Department of Health and Human Services (HHS), or its instrumentalities as determined by the exchange. In such cases, the exchange may take such action as may be necessary to correct or eliminate the effects of such error, misrepresentation or action; or
- An eligible individual adequately demonstrates to the Exchange that the qualified health plan in which he or she is enrolled substantially violated a material provision of its contract in relation to that person; or
- An eligible individual is determined newly eligible or newly ineligible for advance payments of the premium tax credit or has a change in eligibility for cost-sharing reductions, regardless of whether such individual is already enrolled in a qualified health plan. The exchange must permit individuals whose existing coverage through an eligible employer-sponsored plan will no longer be affordable or provide minimum value for his or her employer's upcoming plan year to access this special enrollment period prior to the end of his or her coverage through such eligible employer-sponsored plan; or
- An eligible individual gains access to new qualified health plans as a result of a permanent move (including a move outside the service area of the individual's current plan); or
- An Indian, as defined by section 4 of the Indian Health Care Improvement Act, may enroll in a qualified health plan or change from one qualified health plan to another one time per month;
- An eligible individual or enrollee demonstrates to the exchange, in accordance with guidelines issued by HHS, that he or she meets other exceptional circumstances as the exchange may provide.

Triggering events do not include loss of coverage due to failure to make premium payments on a timely basis, including COBRA premiums prior to expiration of COBRA coverage; and situations allowing for a rescission as specified in 45 CFR 147.128.

The special enrollment period begins on the date the triggering event occurs, and ends on the 61st day following the triggering event. Persons who enroll during a special enrollment period will coverage effective dates determined as follows:

- For an application made between the first and the 15th day of any month, the effective date of coverage will be the first day of the following month;
- For an application made between the 16th and the last day of the month, the effective date of coverage will be the first day of the second following month.

Specific Causes for Ineligibility

An individual **will not be entitled to enroll** as an Insured Person if the individual was previously enrolled under a plan offered or administered by Cigna and his enrollment was subsequently declared null and void for intentional misrepresentations or intentionally omitted information.

Except as described in the Continuation section, an Insured Person **will become ineligible for coverage** under the Policy:

- When premiums are not paid according to the due dates and grace periods described in the premium section.
- With respect to Your spouse or domestic partner: when the spouse is no longer married to the Insured or when the union is dissolved.
- With respect to You and Your Family Member (s): when you no longer meet the requirements listed in the Conditions of Eligibility section;
- The date the Policy terminates.
- When the Insured no longer lives in the Service Area.

Remember, it is Your responsibility to notify Cigna immediately of any changes affecting You or any of Your Insured Family Member(s) eligibility for benefits under this Policy.

Continuation

If an Insured Person's eligibility under this Plan would terminate due to the Insured's death, divorce or if other Insured Family Member(s) would become ineligible due to age or no longer qualify as dependents for coverage under this Plan; except for the Insured's failure to pay premium, the Insured Person's insurance will be continued if the Insured Person exercising the continuation right notifies Cigna and pays the appropriate monthly premium within 60 days following the date this Policy would otherwise terminate. Any waiting periods in the new Plan will be considered as being met to the extent coverage was in force under this Plan.

Benefit Schedule

Following is a Benefit Schedule of the Policy.

The Pediatric Dental benefits described within the following pages apply to Insured Persons up to [and through] the age of 19. [Benefits will apply until the end of the [calendar year] [month] in which this limiting age is reached.]

The Policy sets forth, in more detail, the rights and obligations of both You, your Family Member(s) and Cigna. It is, therefore, important that all Insured Person's **READ THE ENTIRE POLICY CAREFULLY!**

Waiting Periods

An Insured Person may access their dental benefit insurance once he or she has satisfied the following waiting periods.

- there is no waiting period for Class I, II, III
- after 12 consecutive months of coverage dental benefits will increase to include the list of Class IV procedures

What the Policy Pays For

Before this Participating Provider Policy pays for any benefits, You and Your Family Member(s) must satisfy any Deductibles that may apply. After You fulfill the appropriate Deductibles, We will begin paying for Covered Services as described in this section.

The benefits described in the following sections are provided for Covered Expenses incurred while covered under this Policy. An expense is incurred on the date the Insured Person receives the service or supply for which the charge is made. These benefits are subject to all provisions of this Policy, some of which may limit benefits or result in benefits not being payable.

Covered Dental Expense means that portion of a Dentist's charge that is payable for a service delivered to a covered person provided:

- the service is ordered or prescribed by a Dentist;
- is essential for the Necessary care of teeth;
- the service is within the scope of coverage limitations;
- the deductible amount in The Schedule has been met;
- the maximum benefit in The Schedule has not been exceeded;
- the charge does not exceed the amount allowed under the Alternate Benefit Provision;
- For Class I, II or III; the service is started and completed while coverage is in effect, except for services described in the "Benefits Extension" section.

Alternate Benefit Provision

If more than one covered service will treat a dental condition, payment is limited to the least costly service provided it is a professionally accepted, necessary and appropriate treatment.

If the covered person requests or accepts a more costly covered service, he or she is responsible for expenses that exceed the amount covered for the least costly service. Therefore, Cigna recommends Predetermination of Benefits before major treatment begins.

Predetermination of Benefits

Predetermination of Benefits is a voluntary review of a Dentist's proposed treatment plan and expected charges. It is not preauthorization of service and is not required.

The treatment plan should include supporting pre-operative x-rays and other diagnostic materials as requested by Cigna's dental consultant. If there is a change in the treatment plan, a revised plan should be submitted.

Cigna will determine covered dental expenses for the proposed treatment plan. If there is no Predetermination of Benefits, Cigna will determine covered dental expenses when it receives a claim.

Review of proposed treatment is advised whenever extensive dental work is recommended when charges exceed \$500.

Predetermination of Benefits is not a guarantee of a set payment. Payment is based on the services that are actually delivered and the coverage in force at the time services are completed.

Dental PPO – Participating and Non-Participating Providers

Payment for a service delivered by a Participating Provider is the Contracted Fee, times the benefit percentage that applies to the class of service, as specified in the Schedule.

The covered person is responsible for the balance of the Contracted Fee.

Payment for a service delivered by a non-Participating Provider is the Contracted Fee for that procedure as listed on the Primary Schedule aligned to the 3-digit zip code for the geographical area where the service is performed, times the benefit percentage that applies to the class of service, as specified in the Schedule. The Primary Schedule is the fee schedule with the lowest Contracted Fees currently being accepted by a Participating Provider in the relevant 3-digit zip code.

The covered person is responsible for the balance of the provider's actual charge.

Terms of the Policy

Entire Contract; Changes: This Policy, including the specification page, endorsements, application, and the attached papers, if any, constitutes the entire contract of insurance. No change in this Policy shall be valid unless approved by an Officer of Cigna and attached to this Policy. No agent has authority to change this Policy or to waive any of its provisions.

Time Limit on Certain Defenses: After two years from the date coverage is effective under this Policy no misstatements, except fraudulent misstatements, made by the applicant in the application for such Policy shall be used to void the Policy or to deny a claim for loss incurred after the expiration of such two Year period.

Grace Period: There is a grace period of 31 days for the receipt at our office or P.O. Box of any premium due after the first premium. Coverage will continue during the grace period unless We notify the Insured Person at the billing address listed in Our records at least 30 days prior to any premium due date that We do not intend to renew this Policy, or the Insured Person notify Us that the Insured Person intends for coverage to terminate. The grace period does not affect Our right to cancel or non-renew this Policy. Any premium due and unpaid may be deducted upon payment of a claim under this Policy.

Cancellation: We may cancel this Policy only in the event of any of the following:

1. You fail to pay Your premiums as they become due or by the end of the 31 day grace period.
2. On the first of the month following Our receipt of Your written notice to cancel.
3. When You become ineligible for this coverage.
4. If You have committed, or allowed someone else to commit, any fraud or deception in connection with this Policy or coverage.
5. When We cease to offer policies of this type to all individuals in Your class, Tennessee law requires that we do the following: (1) provide written notice to each Insured Person of the discontinuation before the 90th day preceding the date of the discontinuation of the coverage; and (2) offer to each Insured Person on a guaranteed issue basis the option to purchase any other individual dental insurance coverage offered by Us at the time of discontinuation.
6. When We cease offering all dental plans in the individual market in Tennessee in accordance with applicable law, We will notify You of the impending termination of Your coverage at least 180 days prior to Your cancellation.
7. When the Insured no longer lives in the Service Area.

Any cancellation shall be without prejudice for any claim for Covered Expense incurred before cancellation.

Modification of Coverage: We reserve the right to modify this policy, including Policy provisions, benefits and coverages, so long as such modification is consistent with state or federal law and effective on a uniform basis among all individuals with coverage under this same Policy form. We will only modify this Policy for all Insured Persons in the same class and covered under the same Policy form, and not just on an individual basis. We will send written notice and the change will become effective on the date shown in the notice or on the next scheduled premium due date thereafter. Payment of the premiums will indicate acceptance of the change.

Reinstatement: If this Policy cancels because You did not pay Your premium within the time granted You for payment, and if We, or an agent We have authorized to accept premium, then accepts a late premium payment from You without asking for an application for reinstatement, We will reinstate this Policy. However, if We require an application for reinstatement and give You a conditional receipt for Your late premium payment, We will only reinstate this Policy if either We approve Your reinstatement application, or lacking such approval, upon the forty-fifth day

following the date on Our conditional receipt if We have not by that date notified You in writing of Our disapproval of Your application.

If this Policy is reinstated, You and Cigna shall have the same rights as existed under the Policy immediately before the due date of the defaulted premium, subject to any amendments or endorsements attached to the reinstated Policy. Such amendments and/or endorsements will apply only with respect to claims that are incurred for Covered Expenses on and or after the reinstatement date.

Any premiums accepted in connection with a reinstatement will be applied to a period for which You have not previously paid premium, but not to exceed sixty days prior to the date of reinstatement.

Fraud: If the Insured Person has committed, or allowed someone else to commit, any fraud or deception in connection with this Policy, then any and all coverage under this Policy shall be void and of no legal force or effect.

Misstatement of Age: In the event the age of any Insured Person has been misstated in the application for coverage, Cigna shall determine premium rates for that Insured Person according to the correct age and there shall be an equitable adjustment of premium rate made so that We will be paid the premium rate appropriate for the true age of the Insured Person.

Legal Actions: You cannot file a lawsuit before 60 days after We have been given written proof of loss. No action can be brought after 3 Years from the time that proof is required to be given.

Conformity With State and Federal Statutes: If any provision of this Policy which, on its Effective Date, is in conflict with the statutes of the state in which it was issued or a federal statute, it is amended to conform to the minimum requirements of those statutes.

Provision in Event of Partial Invalidity: if any provision or any word, term, clause, or part of any provision of this Policy shall be invalid for any reason, the same shall be ineffective, but the remainder of this Policy and of the provision shall not be affected and shall remain in full force and effect.

- The Insured Person(s) are the only persons entitled to receive benefits under this Policy. FRAUDULENT USE OF SUCH BENEFITS WILL RESULT IN CANCELLATION OF THIS POLICY AND APPROPRIATE LEGAL ACTION WILL BE TAKEN.
- The Effective Date of this Policy is printed on the Policy specification page.
- Cigna is not responsible for any claim for damages or injuries suffered by the Insured Person while receiving care from any Participating or Non-Participating Provider. Such facilities and providers act as Insured Person(s) contractors.
- Cigna will meet any Notice requirements by mailing the Notice to the Insured Person at the billing address listed in our records. It is the Insured Person's responsibility to notify Us of any address changes. The Insured Person will meet any Notice requirements by mailing the Notice to:

- When the amount paid by Cigna exceeds the amount for which We are liable under this Policy, We have the right to recover the excess amount from the provider or the Insured Person unless prohibited by law. Except in cases of fraud committed by the provider. We may only recover reimbursements from the provider during the eighteen-month period after the date that We paid the claim submitted by the provider.
- In order for an Insured Person to be entitled to benefits under this Policy, coverage under this Policy must be in effect on the date the expense giving rise to a claim for benefits is

incurred. Under this Policy, an expense is incurred on the date the Insured Person(s) receives a service or supply for which the charge is made.

- We will pay all benefits of this Agreement directly to Participating Providers, whether the Insured Person has Authorized assignment of benefits or not, unless the Insured Person has paid the claim in full, in which case we will reimburse the Insured Person. In addition, We may pay any covered provider of services directly when the Insured Person assigns benefits in writing no later than the time of filing proof of loss (claim), except for Foreign Country Provider claims. If We receive a claim from a Foreign Country Provider for Emergency Services, any eligible payment will be sent to the Insured Person. The Insured Person is responsible for paying the Foreign Country Provider. These payments fulfill our obligation to the Insured Person for those services.
- Any payment of benefits in reimbursement for Covered Expenses paid by an eligible child, or the eligible child's custodial parent or legal guardian, will be made to the eligible child, the eligible child's custodial parent or legal guardian, or a state official whose name and address have been substituted for the name and address of the eligible child.
- Cigna will provide written notice to You within a reasonable period of time of any Participating Provider's termination or breach of, or inability to perform under, any provider contract, if Cigna determines that You or Your Insured Family Member(s) may be materially and adversely affected.
- We will provide the Insured Person with an updated list of local Participating Providers when requested. If the Insured Person would like a more extensive directory, or need a new provider listing for any other reason, please call Cigna at 1.800.Cigna24 (1.800.244.6224) and We will provide the Insured Person with one, or visit our Web site, www.Cigna.com.
- Failure by Cigna to enforce or require compliance with any provision herein will not waive, modify or render such provision unenforceable at any other time, whether the circumstances are or are not the same.
- If Insured Person(s) were covered by a prior Individual Cigna Policy that is replaced by this Policy with no lapse of coverage:
 - Any waiting period of this Policy will be reduced by the period the Insured Person was covered under the prior Policy, providing the condition, illness or service was covered under that prior Policy.
 - If a Waiver was applied to the prior Policy, it will also apply to this Policy.
 - Benefits used under the prior Policy will be charged against the benefits payable under this Policy.

Other Insurance With This Insurer: If while covered under this Policy, the Insured Person(s) is also covered by another Cigna individual or group Policy, the Insured Person(s) will be entitled to the benefits of only one Policy. Insured Person(s) may choose this Policy or the Policy under which Insured Person(s) will be covered. Cigna will then refund any premium received under the other Policy covering the time period both policies were in effect.

However, any claims payments made by Us under the Policy You elect to cancel will be deducted from any such refund of premium.

Premiums

The monthly premium amount is listed on the Policy specification page which was sent with this Policy. This monthly premium amount applies to individuals who pay monthly.

You will be responsible for an additional \$45 charge for any check or electronic funds transfer that is returned to Us unpaid.

There is a grace period of 31 days for the receipt at Our office or P.O. Box of any premium due after the first premium. Coverage will continue during the grace period, however, if We do not receive Your premium before the end of the grace period, Your coverage will be terminated as of the last date for which You have paid premiums.

Your premium may change from time to time due to (but not limited to):

- a. Deletion or addition of a new eligible Insured Person(s)
- b. A change in age of any member which results in a higher premium
- c. A change in residence

These changes will be effective on the first of the month following the change, unless as otherwise stated on Your premium notice.

Cigna also reserves the right to change the premium on 30 days' prior written notice to You. However, We will not modify the premium schedule on an individual basis, but only for all Insured Persons in the same class and covered under the same Policy as You. The change will become effective on the date shown on the notice, and payment of the new premiums will indicate acceptance of the change.

How to File a Claim for Benefits

Notice of Claim: Written notice of claim must be given within 60 days after a covered loss starts or as soon as reasonably possible. The notice can be given to Us at the address shown on the first page of this Policy or by calling 1.800.Cigna24 (1.800.244.6224). Notice should include the name of the Insured, and claimant if other than the Insured, and the Policy identification number.

Unpaid Premiums: At the time of payment of a claim under this policy, any premiums then due and unpaid or covered by any note or written order may be deducted from the payment.

Claim Forms: When We receive the notice of claim, We will send the claimant forms for filing proof of loss. If these forms are not given to the claimant within 15 days after the giving of such notice, the claimant shall meet the proof of loss requirements by giving us a written statement of the nature and extent of the loss within the time limit stated in the Proof of Loss section. Claim forms can be found by accessing Cigna.com or by calling 1.800.Cigna24 (1.800.244.6224).

Proof of Loss: You must give Us written proof of loss within 15 months after the date of the loss, except in absence of legal capacity. Proof of loss is a claim form or letter as described above. Canceled checks or receipts are not acceptable. Cigna will not be liable (or deny) for benefits if it does not receive written proof of loss within 15 months.

Assignment of Claim Payments:

We will recognize any assignment made under the Policy, if:

1. It is duly executed on a form acceptable to Us; and
2. a copy is on file with Us; and
3. it is made by a Provider licensed and practicing within the United States.

We assume no responsibility for the validity or effect of an assignment.

Payment for services provided by a Participating Provider is automatically assigned to the Provider unless the Participating Provider indicates that the Insured Person has paid the claim in full. The Participating Provider is responsible for filing the claim and We will make payments to the Provider for any benefits payable under this Policy. Payment for services provided by a Non-Participating Provider are payable to the Insured Person unless assignment is made as above. If payment is made to the Insured Person for services provided by a Non-Participating Provider, the Insured Person is responsible for paying the Non-Participating Provider and Our payment to the Insured Person will be considered fulfillment of Our obligation.

Time Payment of Claims: Benefits will be paid immediately upon receipt of due written proof of loss.

Payment of Claims: Benefits will be paid directly to Participating Providers unless You instruct Us to do otherwise prior to Our payment. Any benefits due You which are unpaid at Your death will be paid to Your estate.

Cigna is entitled to receive from any Provider of service information about You which is necessary to administer claims on Your behalf. This right is subject to all applicable confidentiality requirements. By submitting an application for coverage, You have authorized every Provider furnishing care to disclose all facts pertaining to Your care, treatment, and physical condition, upon Our request. You agree to assist in obtaining this information if needed.

Payments of benefits under this Plan neither regulate the amounts charged by Providers of dental care nor attempt to evaluate those services. However, the amount of benefits payable under this Plan will be different for Non-Participating Providers than for Participating Providers.

Physical Examination: Cigna, at its own expense, shall have the right and the opportunity to examine any Insured Person for whom a claim is made, when and so often as We may reasonably require during the pendency of a claim under this Policy.

When you Have a Complaint or an Appeal

The Following Will Apply To Residents of Tennessee When You Have a Complaint or an Appeal

For the purposes of this section, any reference to "You," "Your" or "Yourself" also refers to a representative or provider designated by You to act on Your behalf, unless otherwise noted.

We want You to be completely satisfied with the care You receive. That is why we have established a process for addressing Your concerns and solving Your problems.

Start with Member Services

We are here to listen and help. If You have a concern regarding a person, a service, the quality of care, or contractual benefits, You can call our toll-free number and explain Your concern to one of our Customer Service representatives. You can also express that concern in writing. Please call or write to us at the following:

Customer Services Toll-Free Number 1.800.Cigna24 (1.800.244.6224) or address that appears on explanation of benefits or claim form.

We will do our best to resolve the matter on Your initial contact. If we need more time to review or investigate Your concern, we will get back to You as soon as possible, but in any case within 30 days.

If You are not satisfied with the results of a coverage decision, You can start the appeals procedure.

Appeals Procedure

Cigna has a two step appeals procedure for coverage decisions. To initiate an appeal, You must submit a request for an appeal in writing within 365 days of receipt of a denial notice. You should state the reason why You feel Your appeal should be approved and include any information supporting Your appeal. If You are unable or choose not to write, You may ask to register Your appeal by telephone. Call or write to us at the toll-free number or address on Your Benefit Identification card, explanation of benefits or claim form.

Level-One Appeal

Your appeal will be reviewed and the decision made by someone not involved in the initial decision. Appeals involving Medical Necessity or clinical appropriateness will be considered by a health care professional.

For level-one appeals, we will respond in writing with a decision within 30 calendar days after we receive an appeal for a postservice coverage determination. If more time or information is needed to make the determination, we will notify You in writing to request an extension of up to 15 calendar days and to specify any additional information needed to complete the review.

Level-Two Appeal

If You are dissatisfied with our level-one appeal decision, You may request a second review. To start a level-two appeal, follow the same process required for a level-one appeal.

Most requests for a second review will be conducted by the Appeals Committee, which consists of at least three people. Anyone involved in the prior decision may not vote on the Committee. For appeals involving Medical Necessity or clinical appropriateness, the Committee will consult with at least one Dentist reviewer in the same or similar specialty as the care under consideration, as determined by Cigna's Dentist reviewer. You may present Your situation to the Committee in person or by conference call.

For level-two appeals we will acknowledge in writing that we have received Your request and schedule a Committee review. For postservice claims, the Committee review will be completed within 30 calendar days. If more time or information is needed to make the determination, we will notify You in writing to request an extension of up to 15 calendar days and to specify any additional information needed by the Committee to complete the review. You will be notified in writing of the Committee's decision within five working days after the Committee meeting, and within the Committee review time frames above if the Committee does not approve the requested coverage.

Introduction

About This Policy

Your dental coverage is provided under a Policy issued by Cigna Health and Life Insurance Company ("Cigna") This Policy is a legal contract between You and Us.

Under this Policy, "We", "Us", and "Our" mean Cigna. "You" or "Your" refers to the Policyholder whose application has been accepted by Us under the Policy issued. When We use the term "Insured Person" in this Policy, We mean You and any eligible Family Member(s) who are covered under this Policy. You and all Family Member(s) covered under this Policy are listed on the Policy specification page.

The benefits of this Policy are provided only for those services that are Dentally Necessary as defined in this Policy and for which the Insured Person has benefits. The fact that a Dentist prescribes or orders a service does not, in itself, mean that the service is Dentally Necessary or that the service is a Covered Service. Consult this Policy or phone Us at 1.800.Cigna24 (1.800.244.6224) if You have any questions regarding whether services are covered.

This Policy contains many important terms (such as "Dentally Necessary" and "Covered Service") that are defined in the section entitled "Definitions". Before reading through this Policy, be sure that You understand the meanings of these words as they pertain to this Policy.

We provide coverage to You under this Policy based upon the answers submitted by You and Your Family Member(s) on Your signed individual application. In consideration for the payment of the premiums stated in this Policy, We will provide the services and benefits listed in this Policy to You and Your Family Member(s) covered under the Policy.

Choice of Dentist: Nothing contained in this Policy restricts or interferes with an Insured Person's right to select the Dentist of their choice. You may pay more for Covered Services, if the Insured Person receives them from a Dentist that is a Non-Participating Provider.

Please Read The Following Important Notice

This Dental Plan offers the full range of Essential Health Benefit Pediatric Oral Care and satisfies the requirements under the Affordable Care Act.

To continue coverage, You must enroll the child as an Insured Family Member by notifying Cigna within 31 days after the date of placement for adoption or initiation of a suit of adoption, and paying any additional premium.
- If a court has ordered an Insured to provide coverage for an eligible child (as defined above) coverage will be automatic for the first 31 days following the date on which the court order is issued. To continue coverage, You must enroll the child as an Insured Family Member by notifying Cigna in writing within 31 days after the date of the court order and paying any additional premium.

When Can I Apply?

Initial Open Enrollment Period

The Open Enrollment Period is a federally-specified period of time (generally beginning in October and ending in December) each Year during which Individuals who are eligible as described above can apply to enroll for coverage or change coverage from one plan to another. To be enrolled for coverage under this Plan. You must submit a completed and signed application for coverage under this Policy for Yourself and any eligible Dependents, and We must receive that application during the Annual Open Enrollment Period. Your coverage under this Policy will then become effective upon the first day of the [Month][Year]following the end of the prior Year's Open Enrollment Period. If You do not apply to obtain or change coverage during the Open Enrollment Period, You will not be able to apply again until the following Year's Open Enrollment Period.

Special Enrollment Periods

A special enrollment period occurs when a person enrolled in a qualified health plan, as defined by the Patient Protection and Affordable Care Act of 2010 (PPACA), experiences a triggering

event such as loss of coverage or addition of a dependent. If You are covered under a qualified health plan, and You experience one of the triggering events listed below, You can enroll for coverage during a special enrollment period instead of waiting for the next Annual Open Enrollment Period. Triggering events for a special enrollment period are:

- An eligible individual, including a dependent, loses his or her minimum essential coverage; or
- An eligible individual gains a dependent by marriage, birth or adoption; or
- An individual who was not previously a citizen, national or lawfully present individual gains such status; or
- An eligible individual's enrollment or non-enrollment in a qualified health plan is unintentional, inadvertent, or erroneous and as the result of the error, misrepresentation, or inaction of an officer, employee or agent of the state exchange, or of the Department of Health and Human Services (HHS), or its instrumentalities as determined by the exchange. In such cases, the exchange may take such action as may be necessary to correct or eliminate the effects of such error, misrepresentation or action; or
- An eligible individual adequately demonstrates to the Exchange that the qualified health plan in which he or she is enrolled substantially violated a material provision of its contract in relation to that person; or
- An eligible individual is determined newly eligible or newly ineligible for advance payments of the premium tax credit or has a change in eligibility for cost-sharing reductions, regardless of whether such individual is already enrolled in a qualified health plan. The exchange must permit individuals whose existing coverage through an eligible employer-sponsored plan will no longer be affordable or provide minimum value for his or her employer's upcoming plan year to access this special enrollment period prior to the end of his or her coverage through such eligible employer-sponsored plan; or
- An eligible individual gains access to new qualified health plans as a result of a permanent move (including a move outside the service area of the individual's current plan); or
- An Indian, as defined by section 4 of the Indian Health Care Improvement Act, may enroll in a qualified health plan or change from one qualified health plan to another one time per month;
- An eligible individual or enrollee demonstrates to the exchange, in accordance with guidelines issued by HHS, that he or she meets other exceptional circumstances as the exchange may provide.

Triggering events do not include loss of coverage due to failure to make premium payments on a timely basis, including COBRA premiums prior to expiration of COBRA coverage; and situations allowing for a rescission as specified in 45 CFR 147.128.

The special enrollment period begins on the date the triggering event occurs, and ends on the 61st day following the triggering event. Persons who enroll during a special enrollment period will coverage effective dates determined as follows:

- For an application made between the first and the 15th day of any month, the effective date of coverage will be the first day of the following month;
- For an application made between the 16th and the last day of the month, the effective date of coverage will be the first day of the second following month.

Specific Causes for Ineligibility

An individual **will not be entitled to enroll** as an Insured Person if the individual was previously enrolled under a plan offered or administered by Cigna and his enrollment was subsequently declared null and void for intentional misrepresentations or intentionally omitted information.

Except as described in the Continuation section, an Insured Person **will become ineligible for coverage** under the Policy:

- When premiums are not paid according to the due dates and grace periods described in the premium section.
- With respect to Your spouse or domestic partner: when the spouse is no longer married to the Insured or when the union is dissolved.
- With respect to You and Your Family Member (s): when you no longer meet the requirements listed in the Conditions of Eligibility section;
- The date the Policy terminates.
- When the Insured no longer lives in the Service Area.

Remember, it is Your responsibility to notify Cigna immediately of any changes affecting You or any of Your Insured Family Member(s) eligibility for benefits under this Policy.

Continuation

If an Insured Person's eligibility under this Plan would terminate due to the Insured's death, divorce or if other Insured Family Member(s) would become ineligible due to age or no longer qualify as dependents for coverage under this Plan; except for the Insured's failure to pay premium, the Insured Person's insurance will be continued if the Insured Person exercising the continuation right notifies Cigna and pays the appropriate monthly premium within 60 days following the date this Policy would otherwise terminate. Any waiting periods in the new Plan will be considered as being met to the extent coverage was in force under this Plan.

Terms of the Policy

Entire Contract; Changes: This Policy, including the specification page, endorsements, application, and the attached papers, if any, constitutes the entire contract of insurance. No change in this Policy shall be valid unless approved by an Officer of Cigna and attached to this Policy. No agent has authority to change this Policy or to waive any of its provisions.

Time Limit on Certain Defenses: After two years from the date coverage is effective under this Policy no misstatements, except fraudulent misstatements, made by the applicant in the application for such Policy shall be used to void the Policy or to deny a claim for loss incurred after the expiration of such two Year period.

Grace Period: There is a grace period of 31 days for the receipt at our office or P.O. Box of any premium due after the first premium. Coverage will continue during the grace period unless We notify the Insured Person at the billing address listed in Our records at least 30 days prior to any premium due date that We do not intend to renew this Policy, or the Insured Person notify Us that the Insured Person intends for coverage to terminate. The grace period does not affect Our right to cancel or non-renew this Policy. Any premium due and unpaid may be deducted upon payment of a claim under this Policy.

Cancellation: We may cancel this Policy only in the event of any of the following:

1. You fail to pay Your premiums as they become due or by the end of the 31 day grace period.
2. On the first of the month following Our receipt of Your written notice to cancel.
3. When You become ineligible for this coverage.
4. If You have committed, or allowed someone else to commit, any fraud or deception in connection with this Policy or coverage.
5. When We cease to offer policies of this type to all individuals in Your class, Tennessee law requires that we do the following: (1) provide written notice to each Insured Person of the discontinuation before the 90th day preceding the date of the discontinuation of the coverage; and (2) offer to each Insured Person on a guaranteed issue basis the option to purchase any other individual dental insurance coverage offered by Us at the time of discontinuation.
6. When We cease offering all dental plans in the individual market in Tennessee in accordance with applicable law, We will notify You of the impending termination of Your coverage at least 180 days prior to Your cancellation.
7. When the Insured no longer lives in the Service Area.

Any cancellation shall be without prejudice for any claim for Covered Expense incurred before cancellation.

Modification of Coverage: We reserve the right to modify this policy, including Policy provisions, benefits and coverages, so long as such modification is consistent with state or federal law and effective on a uniform basis among all individuals with coverage under this same Policy form. We will only modify this Policy for all Insured Persons in the same class and covered under the same Policy form, and not just on an individual basis. We will send written notice and the change will become effective on the date shown in the notice or on the next scheduled premium due date thereafter. Payment of the premiums will indicate acceptance of the change.

Reinstatement: If this Policy cancels because You did not pay Your premium within the time granted You for payment, and if We, or an agent We have authorized to accept premium, then accepts a late premium payment from You without asking for an application for reinstatement, We will reinstate this Policy. However, if We require an application for reinstatement and give You a conditional receipt for Your late premium payment, We will only reinstate this Policy if either We approve Your reinstatement application, or lacking such approval, upon the forty-fifth day

following the date on Our conditional receipt if We have not by that date notified You in writing of Our disapproval of Your application.

If this Policy is reinstated, You and Cigna shall have the same rights as existed under the Policy immediately before the due date of the defaulted premium, subject to any amendments or endorsements attached to the reinstated Policy. Such amendments and/or endorsements will apply only with respect to claims that are incurred for Covered Expenses on and or after the reinstatement date.

Any premiums accepted in connection with a reinstatement will be applied to a period for which You have not previously paid premium, but not to exceed sixty days prior to the date of reinstatement.

Fraud: If the Insured Person has committed, or allowed someone else to commit, any fraud or deception in connection with this Policy, then any and all coverage under this Policy shall be void and of no legal force or effect.

Misstatement of Age: In the event the age of any Insured Person has been misstated in the application for coverage, Cigna shall determine premium rates for that Insured Person according to the correct age and there shall be an equitable adjustment of premium rate made so that We will be paid the premium rate appropriate for the true age of the Insured Person.

Legal Actions: You cannot file a lawsuit before 60 days after We have been given written proof of loss. No action can be brought after 3 Years from the time that proof is required to be given.

Conformity With State and Federal Statutes: If any provision of this Policy which, on its Effective Date, is in conflict with the statutes of the state in which it was issued or a federal statute, it is amended to conform to the minimum requirements of those statutes.

Provision in Event of Partial Invalidity: if any provision or any word, term, clause, or part of any provision of this Policy shall be invalid for any reason, the same shall be ineffective, but the remainder of this Policy and of the provision shall not be affected and shall remain in full force and effect.

- The Insured Person(s) are the only persons entitled to receive benefits under this Policy. FRAUDULENT USE OF SUCH BENEFITS WILL RESULT IN CANCELLATION OF THIS POLICY AND APPROPRIATE LEGAL ACTION WILL BE TAKEN.
- The Effective Date of this Policy is printed on the Policy specification page.
- Cigna is not responsible for any claim for damages or injuries suffered by the Insured Person while receiving care from any Participating or Non-Participating Provider. Such facilities and providers act as Insured Person(s) contractors.
- Cigna will meet any Notice requirements by mailing the Notice to the Insured Person at the billing address listed in our records. It is the Insured Person's responsibility to notify Us of any address changes. The Insured Person will meet any Notice requirements by mailing the Notice to:

**Cigna
Individual Services
[P. O. Box [XXXX]]
[City, State Zip code]**

- When the amount paid by Cigna exceeds the amount for which We are liable under this Policy, We have the right to recover the excess amount from the provider or the Insured Person unless prohibited by law. Except in cases of fraud committed by the provider. We may only recover reimbursements from the provider during the eighteen-month period after the date that We paid the claim submitted by the provider.
- In order for an Insured Person to be entitled to benefits under this Policy, coverage under this Policy must be in effect on the date the expense giving rise to a claim for benefits is

incurred. Under this Policy, an expense is incurred on the date the Insured Person(s) receives a service or supply for which the charge is made.

- We will pay all benefits of this Agreement directly to Participating Providers, whether the Insured Person has Authorized assignment of benefits or not, unless the Insured Person has paid the claim in full, in which case we will reimburse the Insured Person. In addition, We may pay any covered provider of services directly when the Insured Person assigns benefits in writing no later than the time of filing proof of loss (claim), except for Foreign Country Provider claims. If We receive a claim from a Foreign Country Provider for Emergency Services, any eligible payment will be sent to the Insured Person. The Insured Person is responsible for paying the Foreign Country Provider. These payments fulfill our obligation to the Insured Person for those services.
- Any payment of benefits in reimbursement for Covered Expenses paid by an eligible child, or the eligible child's custodial parent or legal guardian, will be made to the eligible child, the eligible child's custodial parent or legal guardian, or a state official whose name and address have been substituted for the name and address of the eligible child.
- Cigna will provide written notice to You within a reasonable period of time of any Participating Provider's termination or breach of, or inability to perform under, any provider contract, if Cigna determines that You or Your Insured Family Member(s) may be materially and adversely affected.
- We will provide the Insured Person with an updated list of local Participating Providers when requested. If the Insured Person would like a more extensive directory, or need a new provider listing for any other reason, please call Cigna at 1.800.Cigna24 (1.800.244.6224) and We will provide the Insured Person with one, or visit our Web site, www.Cigna.com.
- Failure by Cigna to enforce or require compliance with any provision herein will not waive, modify or render such provision unenforceable at any other time, whether the circumstances are or are not the same.
- If Insured Person(s) were covered by a prior Individual Cigna Policy that is replaced by this Policy with no lapse of coverage:
 - Any waiting period of this Policy will be reduced by the period the Insured Person was covered under the prior Policy, providing the condition, illness or service was covered under that prior Policy.
 - If a Waiver was applied to the prior Policy, it will also apply to this Policy.
 - Benefits used under the prior Policy will be charged against the benefits payable under this Policy.

Other Insurance With This Insurer: If while covered under this Policy, the Insured Person(s) is also covered by another Cigna individual or group Policy, the Insured Person(s) will be entitled to the benefits of only one Policy. Insured Person(s) may choose this Policy or the Policy under which Insured Person(s) will be covered. Cigna will then refund any premium received under the other Policy covering the time period both policies were in effect.

However, any claims payments made by Us under the Policy You elect to cancel will be deducted from any such refund of premium.

Premiums: The monthly premium amount is listed on the Policy specification page which was sent with this Policy. This monthly premium amount applies to individuals who pay monthly.

You will be responsible for an additional \$45 charge for any check or electronic funds transfer that is returned to Us unpaid.

There is a grace period of 31 days for the receipt at Our office or P.O. Box of any premium due after the first premium. Coverage will continue during the grace period, however, if We do not receive Your premium before the end of the grace period, Your coverage will be terminated as of the last date for which You have paid premiums.

Your premium may change from time to time due to (but not limited to):

- a. Deletion or addition of a new eligible Insured Person(s)
- b. A change in age of any member which results in a higher premium
- c. A change in residence

These changes will be effective on the first of the month following the change, unless as otherwise stated on Your premium notice.

Cigna also reserves the right to change the premium on 30 days' prior written notice to You. However, We will not modify the premium schedule on an individual basis, but only for all Insured Persons in the same class and covered under the same Policy as You. The change will become effective on the date shown on the notice, and payment of the new premiums will indicate acceptance of the change.

Policy Payment Information

Dental PPO – Participating and Non-Participating Providers

Payment for a service delivered by a Participating Provider is the Contracted Fee, times the benefit percentage that applies to the class of service, as specified in the Schedule.

The covered person is responsible for the balance of the Contracted Fee.

Payment for a service delivered by a non-Participating Provider is the Contracted Fee for that procedure as listed on the Primary Schedule aligned to the 3-digit zip code for the geographical area where the service is performed, times the benefit percentage that applies to the class of service, as specified in the Schedule. The Primary Schedule is the fee schedule with the lowest Contracted Fees currently being accepted by a Participating Provider in the relevant 3-digit zip code.

The covered person is responsible for the balance of the provider's actual charge.

Insurance coverage is only for the classes of service referred to in The Schedule, however the covered person is also eligible for discounts for other selected services. Discounts for these select services are not insurance. The covered person will receive discounts from Cigna's contracted health care professionals for these services. Discounts are based on Cigna Dental contracted rates. Please call Cigna at 1.800.Cigna24 (1.800.244.6224) for details about this plan.

Alternate Benefit Provision

If more than one covered service will treat a dental condition, payment is limited to the least costly service provided it is a professionally accepted, necessary and appropriate treatment.

If the covered person requests or accepts a more costly covered service, he or she is responsible for expenses that exceed the amount covered for the least costly service. Therefore, Cigna recommends Predetermination of Benefits before major treatment begins.

Predetermination of Benefits

Predetermination of Benefits is a voluntary review of a Dentist's proposed treatment plan and expected charges. It is not preauthorization of service and is not required.

The treatment plan should include supporting pre-operative x-rays and other diagnostic materials as requested by Cigna's dental consultant. If there is a change in the treatment plan, a revised plan should be submitted.

Cigna will determine covered dental expenses for the proposed treatment plan. If there is no Predetermination of Benefits, Cigna will determine covered dental expenses when it receives a claim.

Review of proposed treatment is advised whenever extensive dental work is recommended when charges exceed \$500.

Predetermination of Benefits is not a guarantee of a set payment. Payment is based on the services that are actually delivered and the coverage in force at the time services are completed.

How to File a Claim for Benefits

Notice of Claim: Written notice of claim must be given within 60 days after a covered loss starts or as soon as reasonably possible. The notice can be given to Us at the address shown on the first page of this Policy or by calling 1.800.Cigna24 (1.800.244.6224). Notice should include the name of the Insured, and claimant if other than the Insured, and the Policy identification number.

Unpaid Premiums: At the time of payment of a claim under this policy, any premiums then due and unpaid or covered by any note or written order may be deducted from the payment.

Claim Forms: When We receive the notice of claim, We will send the claimant forms for filing proof of loss. If these forms are not given to the claimant within 15 days after the giving of such notice, the claimant shall meet the proof of loss requirements by giving us a written statement of the nature and extent of the loss within the time limit stated in the Proof of Loss section. Claim forms can be found by accessing Cigna.com or by calling 1.800.Cigna24 (1.800.244.6224).

Proof of Loss: You must give Us written proof of loss within 15 months after the date of the loss, except in absence of legal capacity. Proof of loss is a claim form or letter as described above. Canceled checks or receipts are not acceptable. Cigna will not be liable (or deny) for benefits if it does not receive written proof of loss within 15 months.

Assignment of Claim Payments:

We will recognize any assignment made under the Policy, if:

1. It is duly executed on a form acceptable to Us; and
2. a copy is on file with Us; and
3. it is made by a Provider licensed and practicing within the United States.

We assume no responsibility for the validity or effect of an assignment.

Payment for services provided by a Participating Provider is automatically assigned to the Provider unless the Participating Provider indicates that the Insured Person has paid the claim in full. The Participating Provider is responsible for filing the claim and We will make payments to the Provider for any benefits payable under this Policy. Payment for services provided by a Non-Participating Provider are payable to the Insured Person unless assignment is made as above. If payment is made to the Insured Person for services provided by a Non-Participating Provider, the Insured Person is responsible for paying the Non-Participating Provider and Our payment to the Insured Person will be considered fulfillment of Our obligation.

Time Payment of Claims: Benefits will be paid immediately upon receipt of due written proof of loss.

Payment of Claims: Benefits will be paid directly to Participating Providers unless You instruct Us to do otherwise prior to Our payment. Any benefits due You which are unpaid at Your death will be paid to Your estate.

Cigna is entitled to receive from any Provider of service information about You which is necessary to administer claims on Your behalf. This right is subject to all applicable confidentiality requirements. By submitting an application for coverage, You have authorized every Provider furnishing care to disclose all facts pertaining to Your care, treatment, and physical condition, upon Our request. You agree to assist in obtaining this information if needed.

Payments of benefits under this Plan neither regulate the amounts charged by Providers of dental care nor attempt to evaluate those services. However, the amount of benefits payable under this Plan will be different for Non-Participating Providers than for Participating Providers.

Physical Examination: Cigna, at its own expense, shall have the right and the opportunity to examine any Insured Person for whom a claim is made, when and so often as We may reasonably require during the pendency of a claim under this Policy.

When you Have a Complaint or an Appeal

The Following Will Apply To Residents of Tennessee When You Have a Complaint or an Appeal

For the purposes of this section, any reference to "You," "Your" or "Yourself" also refers to a representative or provider designated by You to act on Your behalf, unless otherwise noted.

We want You to be completely satisfied with the care You receive. That is why we have established a process for addressing Your concerns and solving Your problems.

Start with Member Services

We are here to listen and help. If You have a concern regarding a person, a service, the quality of care, or contractual benefits, You can call our toll-free number and explain Your concern to one of our Customer Service representatives. Customer Services Toll-Free Number 1.800.Cigna24 (1.800.244.6224) or address that appears on explanation of benefits or claim form.

We will do our best to resolve the matter on Your initial contact. If we need more time to review or investigate Your concern, we will get back to You as soon as possible, but in any case within 30 days.

If You are not satisfied with the results of a coverage decision, You can start the appeals procedure.

Appeals Procedure

Cigna has a two step appeals procedure for coverage decisions. To initiate an appeal, You must submit a request for an appeal in writing within 365 days of receipt of a denial notice. You should state the reason why You feel Your appeal should be approved and include any information supporting Your appeal. If You are unable or choose not to write, You may ask to register Your appeal by telephone. Level-One Appeal

Your appeal will be reviewed and the decision made by someone not involved in the initial decision. Appeals involving Medical Necessity or clinical appropriateness will be considered by a health care professional.

For level-one appeals, we will respond in writing with a decision within 30 calendar days after we receive an appeal for a postservice coverage determination. If more time or information is needed to make the determination, we will notify You in writing to request an extension of up to 15 calendar days and to specify any additional information needed to complete the review.

Level-Two Appeal

If You are dissatisfied with our level-one appeal decision, You may request a second review. To start a level-two appeal, follow the same process required for a level-one appeal.

Most requests for a second review will be conducted by the Appeals Committee, which consists of at least three people. Anyone involved in the prior decision may not vote on the Committee. For appeals involving Medical Necessity or clinical appropriateness, the Committee will consult with at least one Dentist reviewer in the same or similar specialty as the care under consideration, as determined by Cigna's Dentist reviewer. You may present Your situation to the Committee in person or by conference call.

For level-two appeals we will acknowledge in writing that we have received Your request and schedule a Committee review. For postservice claims, the Committee review will be completed within 30 calendar days. If more time or information is needed to make the determination, we will notify You in writing to request an extension of up to 15 calendar days and to specify any additional information needed by the Committee to complete the review. You will be notified in writing of the Committee's decision within five working days after the Committee meeting, and within the Committee review time frames above if the Committee does not approve the requested coverage.

Binding Arbitration

To the extent permitted by law, any controversy between Cigna and an insured (including any legal representative acting on Your behalf), arising out of or in connection with this Policy may be submitted to binding arbitration upon written notice by one party to another. Such arbitration shall be governed by the provisions of the Commercial Arbitration Rules of the American Health Lawyers Association, to the extent that such provisions are not inconsistent with the provisions of this section.

If the parties cannot agree upon a single arbitrator within 30 days of the effective date of written notice of arbitration, each party shall choose one arbitrator within 15 working days after the expiration of such 30-day period and the two arbitrators so chosen shall choose a third arbitrator, who shall be an attorney duly licensed to practice law in the applicable state. Pricing Methodology

There is limited experience available for the individual dental product as this is a fairly new product. As a result premium rates were developed based on our existing group dental products along with publicly available premium rate information for various individual dental plans. From this information, an estimate of claims cost was developed and adjusted for differences in benefits and targeted population. Financial analysis was conducted to project future administrative expenses and other retention components. A trend factor and geographical differences were then applied based on large group methodology. Rates were then compiled to ensure an appropriate target loss ratio.

Commissions, Expenses, and Profit

We estimate total retention to be approximately 36%. Total retention is comprised of administrative expenses, premium tax, commissions and a risk charge.

Administrative Expenses	13%
Commissions	10%
Profit	6%
Taxes*	4%
Exchange Fees	3%
Total	36%

** includes state premium tax and PPACA health insurance industry fee assessment*

Premium Rates

Premium rates will vary based on plan design, age, and geographic area. The geographic classification is as follows:

State	Code	Rating Area
TN	1	TNChattanooga
TN	2	TNJackson
TN	3	TNKnoxville
TN	4	TNMemphis
TN	5	TNNashville

A 15% dependent discount will be applied to the premium rate of any dependents of the primary insured. The policy premium rate will be equal to the sum of the primary insured rate and the discounted dependent rates.

The schedules of proposed individual rates are attached to this memorandum as Rate Table.

Anticipated Lifetime Loss Ratio

The anticipated lifetime loss ratio for the individual dental plan is expected to be 64%

Renewability Clause

The policy is guaranteed renewable.

Premium Modalization Rules

The pricing methodology outlined in the CHLIC Accident and Health manual produces monthly premiums. Therefore, modalization factors are expressed as a function of these monthly rates as follows:

Modalization Factors

Weekly	0.231
Bi-Weekly	0.462
Monthly	1
Quarterly	2.989
Semi-Annual	5.945
Annual	11.761

Trend Assumptions

The expected annualized trend is 5.5%.

This factor reflects underlying differences in network costs and discounts, inflation/severity, cost-shifting, utilization, and cost share leveraging.

Proposed Effective Date

The rates contained in this filing are proposed for new contracts, on and after the effective date of January 1, 2014.

Actuarial Certification

I, Dipti Patel, FSA, MAAA, certify that to the best of my knowledge and judgment, these rates on average meet an Actuarial Value of 71.8%. This rate filing is in compliance with the applicable laws and regulations of this state and that the premiums charged are reasonable in relation to the benefits provided.
